

Identify Navigational Instruments

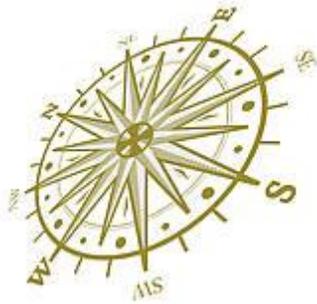

Instructions for Teachers

Materials:

- Bookplate Illustration
- Worksheet 1 or Worksheet 2

Directions:

1. Use the following worksheets and illustrations to learn about navigational instruments.

Learner Objectives:

- Identify various navigational instruments
- Explain the use of the pictured instruments

Procedure:

Copy the desired worksheet and/or the bookplate. Basic to advanced cognitive skills can be emphasized depending on the worksheet used. Use the Age of Exploration Vocabulary to identify the listed instruments.
